RE: Food Service on the New Campus

DATE: November 5, 1996

The Foundation has read all of the PIFs and listened to the concerns voiced over food service, or lack of it, on the new campus. Obviously, there are some problems the Foundation has no control over. Also, during this construction period, we will continue to have an imperfect world on the new campus.

However, the Foundation has made these changes:

1. Food Service will be open during the day in the dining hall on the new campus from 7:30 a.m. - 2:00 p.m., Monday - Friday.
2. All soft drinks are now \$.50 a can. Chips and candy bars will be available at \$.50 as well. They will be on sale in the dining hall.
3. Breakfast menu has been enlarged to include breakfast pizzas, corn dog nuggets, as well as biscuits, etc.
4. In addition to chicken, lunch will include a daily blue plate special. We'll also have pizza and corn dogs. Friday's lunch may be more limited depending on demand. The addition of new food items will begin on Tuesday, November 12. Salads will also be added if there is enough of a demand.
5. Hopefully, we will begin next week selling drinks and chips in the dining hall from 5:00 p.m. - 7:30 p.m. The Foundation will have this available Monday - Thursday evenings. We are currently looking for someone to work during these hours. If you know anyone who is interested and is dependable, please call me, ext. 2221, or the Foundation office, ext. 2298. We will pay \$5 an hour.

Please support the dining hall and our efforts. The more people eat there, the more we'll be able to offer. Remember, it has to be a win-win situation.
